This past month things were a little slower paced. We had a very busy summer with outreach and other activities. We are also gearing up for a busy fall and holiday season. So with all that in mind, we scaled our outreach and community events back just a little. This allowed our people to catch their breath just a bit. Our people are relatively new to church and I do not want to burn them out. They are doing an amazing job of serving the Lord though.

Our spiritual growth is really making good progress. We have been studying through Ephesians on Sundays and this has proven to really challenge our people in a lot of ways.

This month we saw our attendance hold steady at 15 people on Sundays and average 8 on Wednesday nights. We keep having interest from people about possibly attending, but that has not happened yet. We will continue to let the Lord work through us as He builds His church.

Our outreach trailer is finally finished. We are so thankful to Greg and Karen Lyle for their help with the vinyl signs. We have loaded the trailer with items that we can use for various types of outreach. Our next big outreach is a cookout for the Topeka Police Department. We will be able to park the trailer on the lot and pull out a grill, tents, and tables. Pray that this trailer gets a lot of use.

Please pray with us for our outreach opportunities in October. We have three big events planned. The first is the cookout for the TPD on the 15th. The second is a one year celebration of Shining Light on the 23rd. This is the day that baptized our first members. The third is a halloween outreach. Last year, we saw a real good turnout that we were not prepared for. This year, we plan to be ready.
