Missionary to Topeka, Kansas

Report for November 2022

Allow me to begin by saying how grateful we are for all the support and prayers that you have sent our way. The Lord is building a good work here, and we are appreciative of all that you allow Him to do through you.

November was a good month. We saw a record attendance for our Thanksgiving meal of 18. However, we also saw a low attendance because of Thanksgiving. Just like any other church, we saw our ups and downs this past month. With that being said, we held steady with an average of 15 for Sunday and 8 for midweek.

This month, I saw more fruit from my efforts as a volunteer chaplain. I had conversations with several officers that were more than just casual conversations. I saw officers seek me out to actually talk to me, rather than me seeking them out. As a result, I am in the process of starting a once a week meetup with some of them. This will be a discipleship meetup. Please be in prayer for this meetup and for our police officers in general. I have also been able to add several officers to my facebook list. Some of them have even talked to me about some of my devotionals that I do. I am excited about the progress being made.

.....

I was blessed to be able to attend the Louisiana State meeting in November. This was a good meeting with great fellowship. I was encouraged by the prayers and interest in our ministry here Kansas. Thank you to Emmanuel MBC of Bogalusa for allowing me to share with their youth about IMPACT23. IMPACT will be in Topeka this coming summer.

IMPACT23 will meet June 12-16 in Topeka, KS. If you would like more information about this week, please contact me. We are expecting between 130 and 150 at this point to come and help us reach our city. We have room for your group. Group registration starts in January.
