## **Report for December 2022**

December is always a busy month for churches and preachers, and that was the case for us also. Our attendance for this past month held steady in spite of all the obligations for our people. Christmas being on a Sunday did not help our attendance. In fact, we had several out with families or with travel. I expect this was somewhat normal with churches. Other than that one day, our people remained faithful in their attendance.

We are blessed with a good, diverse core of people. Half our people attending are over 50 years old, and half our people are under 30 years of age. The one group that we are missing is the family age groups. Make this a matter of prayer.

This month, we also squeezed in a wedding. Our daughter got married this month. We are so thankful for this wedding and marriage. While we were in Louisiana for the wedding, I was grateful for the opportunity to share about our ministry with Pearl Hickory MBC and Emmanuel MBC. Thank you to both churches for allowing me this blessing.

.....

**IMPACT<sub>23</sub>** will be in Topeka, KS the week of June 12-16. This is wonderful week of outreach. We are expecting 140 or so, young people and adults to come to Topeka to help us reach our community. Groups will arrive on Monday. We will have three days of outreach and service in the area. Each night, we will have worship services for the group. We would love to have your group join us. No group is too small or too large. Group registration is open now at [www.impact-missions.org](http://www.impact-missions.org). Contact me for more details.

With this large of a group coming, we could use some help with the purchase of outreach material. We will be ordering 5000 custom door hangers, and 2,000 outreach cards. The door hangers will cost \$500 approximately and the outreach cards will cost \$300 approximately. Any help with this would be greatly appreciated. Designate offerings for "outreach material."
