In some ways, January was a slower month than December, but in other ways it was busier. This month, we were blessed to not be traveling for Christmas or weddings. However, our schedule here was full speed ahead.

This month, I saw my volunteer chaplain work expand. While serving alongside the police department, there was a need that arose at the Fire department. Now, it appears that a door is opening to do some volunteer work alongside of them. Every door the Lord opens, I am excited to walk through. With the chaplain work, I was asked to bring the invocation for an award ceremony for the police. At the ceremony was various leaders of the city along with the Mayor. I am so excited about all these opportunities the Lord is giving me.

Our attendance held steady through the month with 15 for worship and 8 for mid-week Bible study. We were blessed with one first time visitor in worship.

**IMPACT<sub>23</sub>** will be in Topeka, KS the week of June 12-16. We could really use the help reaching our city. Groups will arrive on Monday, and then help serve in our community for three days. Friday night, we are planning a launch service for the community. At this point, we have 137 registered to attend. We still have room to add your group, however, we need to get that information in soon.

This month we received an offering of \$500 from Centerview MBC of Malvern, AR. This offering will cover the cost of our 5,000 door hangers. We could still use help with our 2000 outreach cards, 300 water bottle labels and 300 water bottles. The estimated cost for these items is about \$600 more. Any offerings sent in for "Impact Outreach" will be applied toward that week of outreach.

We have a tremendous opportunity with all of these workers coming to help. We want to put as much into this week as possible. All help is greatly appreciated.
