

"YOU'VE NEVER BEEN SO LOVED"

Exceeding Expectations

It's easy to be happy when you're drinking from the saucer because your cup runneth over. February was a record setting month in nearly every way. We had 32 in Sunday School. (First Time ever being over 30 in Sunday School) With the addition of a new class and the growth of the teen class to 12 we are very rapidly out growing our classroom space. We had one Sunday Worship service with 55 in attendance, Breaking not only the record for the year but for the last 2 years. It was a great thing to hear "Pastor we need to buy more chairs" after that service. Yet another great problem to have.

Every Goal that I set for us at the beginning of the year God has exceeded all expectations. Since December of 2022 we have Doubled our Worship Attendance and Doubled our Sunday School Attendance. We thank are thankful that he is faithful even when we are faithless.

Upgrades

We have been in our current meeting place (5000 sq Ft Storefront on Damascus Rd) for seven years. And it has been nearly that long since we have done any upgrades or beautification to the facilities. Even though the Building is not ours, while we meet there we feel it is God's House and we should treat it as such.

The men of the church Got together and did some repairs, changed old sagging ceiling tiles, painted the floor and fixed some doors.

And with the added help and interest of some of the new members with sound and technology, even that got an upgrade. We ran new wires, hung new tvs, installed a new camera (For livestream) and even invested in some speaker stands to help with sound. But thats not all, With the addition of several new ladies with an eye for design, the building is getting a face lift with new decor with a fresh new look. Looking forward to see what else God will upgrade, because God is on the move in NC. To God Be The Glory!!!
