This past month, we were blessed with steady attendance. Our averages held steady with 15 for worship and 8 for midweek. Outside of just our attendance numbers, we saw some real positive steps forward. We were able to see some real progress with some of our neighbors. One of our neighbors, we have been trying to further our relationship ever since we moved in. This month, we were able to have them over for a meal. Another neighbor, approached me and told me that he has been thinking about coming to church with us. This young man is in his twenties. He spoke of him and his friends coming. This has not happened yet, but it is encouraging.

This month, I was also able to attend Leadsummit, which is a retreat for Pastors and Missionaries. This was a much needed encouragement and retreat for me.

.....
IMPACT₂₃

Much of my focus, this month, has been on getting ready for Impact to visit us in June. At this point, there will be 143 coming to help us try and reach our city, or at least a portion of it. Following Impact, we will have two Launch Services.

Thanks to an offering that we received last month, our 5,000 door knob hangers have been ordered. We could still use help with outreach cards (\$300), water bottles (\$100) and launch service supplies (\$500). Any help with these items, would be greatly appreciated. If you have questions or would like more information, please contact me. Please designate offerings as "outreach or Impact needs"

If your church is interested in attending Impact, we still have room. We need to hear from you as soon as possible, in order to make plans for the extra workers. Please contact me, for more information.
