March was a good and busy month. We saw our attendance hold steady through the month. We had one repeat visitor which caused our numbers to go up a little. We were blessed with an average of 16 for worship. Our midweek Bible Study has really taken off. We saw an increase from 6 to 11 in this. We changed our format on Wednesday and the people seem to be very interested in it.

I was also able to begin a Men's Breakfast Bible Study once a week. At this point, I only have one man attending, but this man has shown tremendous growth and a strong desire to learn more about the Lord.

My chaplain efforts continue with the Police Department. More of them have shown an interest in having my personal cell number. I have been having some real positive conversations with many of the officers. The fire department has been a slower door to get into. I am still working with the administration to try to have greater access.

IMPACT₂₃

We are beyond grateful for all the offerings that have been sent our way. We have been blessed with enough offerings to buy all of our door hangers, our outreach cards, and our water bottles. We are praying that the Lord will bless the efforts of all the labors.

At this point, we are expecting around 160 workers from several churches to come and help us. Individual registrations are beginning to come in. Please pray for all the efforts and planning that we are putting into place.

One of the ministries that we do at IMPACT is a free carwash. Getting a location can sometimes prove very challenging. We were blessed with two of the busiest locations in all of the city. These were the first businesses that I approached and they agreed to let us use their parking lots.

Thank you to Eastside MBC, New Testament BC of Keyport, NJ, Missionary BC of San Antonio for offerings this month for Impact.
