## Andres

This is Andres the handyman who lives directly across the street from me. As I have mentioned in several of my previous newsletters, he has completely remodeled my basement bathroom, installed new flooring throughout our house and now he has been working on replacing the rear deck on our home. He is a devout Catholic who is very involved in his Church. We have had some great spiritual conversations over the past several months. I asked him last week if he would read the book of Matthew and then we could talk about what he thought of it. He told me he did not have a Bible to read. I asked him if he would like one and he said yes. When he was finishing up work the other day I walked out, and presented him this Spanish Bible and asked that he spend time every day reading it and we could talk about what he had read.

He was very appreciative of the gift and told me this was the 1<sup>st</sup> Bible to ever have in his home. He lives with his parents, brother, niece, brother in law and their 3 kids. Please pray with me THE WORD OF GOD will be read by him in his heart language and it will stir his heart and soul to seek and ask challenging questions based on truth rather than tradition.

I regret that I will not be in attendance at this year's ABA meeting in Washington. I found out a week or so ago that my mother has stage 2 lung cancer. We will be traveling to Louisiana the 2<sup>nd</sup> week of June and will be there though father's day. I will be taking her to have a body and brain scan, then once she receives the results, they will either begin radiation or Chemo. Please pray for safe travels and the Lord's will to be done. We will be going as a family but my son will be traveling from Louisiana back to California on the 18<sup>th</sup> because his football practices start on the 20<sup>th</sup>.
