## Report for May

May was a very busy and very good month. First, our people are invested in the work and are continuing to grow. Instead of me and Kim doing all the work to get ready for IMPACT, we led the people to invest their time and efforts. For our midweek services, we began meeting an hour earlier to do prep work for IMPACT. They have seen the need and invested themselves into it.

This month we were blessed with 7 first time visitors. That is great. One of those has committed herself to be involved in IMPACT. She has come to our fellowships, but never, until now, attended any of our services. We have been working on her the whole time that we have been here. The other 6 were family members of our people that were visiting. Pray for all of our visitors.

This month, I was also very active in my Police Chaplain efforts. I was very involved in the memorial ceremonies for fallen officers. I led the invocation and benediction for the State Candle Light Memorial service which included agencies from all of Kansas. I was also asked to lead the invocation for the graduation ceremony for our new officers.

IMPACT is almost here. In less than two weeks, we will have 150 workers here to help us share the gospel in Topeka. We plan to pass out over 5,000 invitations and share the gospel with hundreds of people. Following IMPACT, we are having two launch services. Please join us in prayer for this week.

In preparation for growth following IMPACT, we have reserved meeting space at the Ramada Hotel. This is where we are holding our launch services. The space is reserved for \$200 per week. We are trusting the Lord to send the growth and to send the funds to help meet this expense. Pray for us in this need. We plan to continue to use my shop for midweek services, but prayerfully, we will not be able to meet there on Sundays.
