Report for July 2023

What a tremendous month of July that we have had! The Lord has blessed us in so many ways. We saw our average worship attendance and our average midweek Bible Study attendance go up. Our average attendance for July for worship saw an increase from 17 before Impact, to 23 after Impact. Our midweek Bible Study has also increased from 11 before Impact to 15 after Impact.

Not only did we see our attendance go up, but our membership has also increased. This month the Lord added 3 to us by baptism.

This month I saw my chaplaincy efforts increase also. As many of you know, I have been trying to get into the Fire Department in addition to serving with the Police Department. Those efforts have not went well until I randomly struck up a conversation with a fireman while at the gym. That individual just happened to be the head of peer support. Since then, I have been given the green light to start visiting the stations and work with the fire fighters. There are 12 stations with 3 shifts and usually 6 people at each station. So far, my efforts have been well received. I would like to take a case of energy drinks to each station and leave with them. To do that, I would need about \$400.

After Impact, we stayed at the hotel for a while. However, now that our average attendance has settled around 23, we have moved back into the shop. We could use about 8 more worship chairs to completely fill our space.

We have four main needs - 1) More land and building support 2) 8 more chairs for worship 3) Energy drinks for first responders 4) Always prayers.
