Average attendance:
Sunday Morning 6

The month of October is always one of the busiest months of the year for us. This year has been no exception.

We were privileged to host Bro Joel Dillahunty at one of our Sunday morning services. It just so happened to be the Sunday right after the massacre in Israel. Because of his past and present experience in Israel, we had a very unique and insightful presentation. Afterwards, he wanted to see the mountains, so we took him to Estes park for the rest of the day. We were fortunate to see several herd of elk during the peak of the "rut." We also saw countless mule deer. At the end of the day were continuing our talk about all things Israel, and we both agreed that the "mountain escape" was good for both our souls. We both agreed that if we were to have sat at home, we would be glued to the TV grieving.

Bro Joel was in town to help train a new woman in her position as the manager of one of the Pro-Life organizations in Denver. They had scheduled ministry visits to planned parenthood centers in Boulder, Lakewood, Denver, Fort Collins and Greeley. I was fortunate enough to attend the ministry at the Fort Collins and Greeley locations. At the Greeley location I was introduced to the head of the local chapter of "40 Days for life." This organization does a 40 day campaign of ministry where at least 3 people are outside of planned Parenthood locations from opening to close. Someone is always praying on sight and the others are passing out Biblical material to show there are many options available locally besides abortion. The day we attended they were on day 32. They plan to do a winter campaign starting some time in February or March and I have signed up to help as much as my time allows.

Please pray for Bro Joel as he travels around to different states helping set up an implement ministry at the local abortion sights. Also pray for the outreach of "40 days for life." They were successful in shutting one abortion clinic down in Greeley!

As mentioned, Please pray for the State of Israel and all Jewish people worldwide. Also pray for my son's roommate in college. He is Jewish and this has really rocked his world. He has been asking my son a ton of questions and is finally opening up to him. We had invited him to thanksgiving last year but he declined because we are Christians and he is Jewish. We are going back to CA this Thanksgiving and He said he wants to join us! He told my son he has a lot of questions for me! Please pray God uses this tragedy to continue to open and soften Sammie's heart concerning the Messiah, Jesus Christ.
