October was a good month of working the field in Topeka. It was good to not have any meetings to go to and just be in Topeka. Saying that does not mean that we were not busy.

This month we had two major events. The first one was Shining Light Day. This is our annual celebration of our ministry in Topeka. This was our second year celebration. We went to a local park for a cold night of outdoor worship. Even though it was cold, we were still blessed with three visitors in attendance.

The second event, was our annual fall community outreach. Each year, we have seen crowds on average of 75 people come by. This year was extremely cold, but the crowds still came by. We were blessed to have several quality conversations. Pray for these individuals as we follow up with them.

One of the things about our group is that they are following me in community outreach. They have dedicated themselves to this. This is exciting.

This month we also started Firepit Fridays. This is an evening of sitting around the fire pit and discussing God's Word.

.....

This is our biggest need at this time. The Lord is pouring out His blessings through His churches, which we are extremely grateful for. We are so thankful for Marlow MBC of Marlow, OK; Mt. Calvary BC of Sikeston, MO, New Testament BC of Keyport, NJ, South

Union BC of Dangerfield for their building fund offerings this month.

If your church would like to hear more about our ministry and needs, please reach out to us. I would love the opportunity to brag about the Lord.
