Report for February 2024

Allow me to begin by saying that we are so overwhelmed and grateful for all the prayers and support that we have received. Because of the generosity of the Lord's churches, we are able to do the things that we are doing here.

We are officially in the building. We are having Sunday morning and evening worship services there and our mid week Bible Study. Throughout this month, we were blessed with 4 first time visitors.

We are using the building, but our grand opening is scheduled for March 24th. We are planning a Community Day on March 23rd with representatives from the Police Department and Fire Department. We will have a cookout and games. We are hoping to introduce ourselves to our neighborhood on that day.

We are also using the building on Monday night. We are averaging 15 police officers in our building each Monday night. We are playing basketball. We are providing a safe and secure location for them and I get to pray with them before each night. This is a picture of the first group that joined us. Topeka Police, Highway Patrol, and Sheriffs Department have all been attending.

Join us for our **Building Dedication**. It will be Friday, April 26th at 6pm. There will, most likely, still be some areas that we are working on, but we want to celebrate what the Lord is giving us.

Work Progress - Sanctuary is carpeted, stage area is still being worked on, vinyl floors are being installed in the hallway, money for worship chairs is being raised (we are about halfway to our goal), the new furnaces will be installed in March (we could still use help paying for those), the roof is being repaired this week, and media center computer and camera needs to be replaced (the one that came with the building is out of date and the OS is not supported anymore).
