Spring is in the air!

Spring is in the air and people are anxious to be outside. The past few weeks has been exceptionally nice, but I am sure we will have a few more snow days to contend with over the next month or so. Because of this, we have decided that once a month, we are going to hold Sunday services at the park across the street from our house. I have let all my neighbors know and a lot of our contacts in town. The idea has been met with some optimism so we will see how it goes.

A few months ago, when my mother passed, I called the local VA in Shreveport and wanted to know if they accept donations of electric wheelchairs. The plan was to donate her chair to a veteran in need. After calling several people, I was told that the local VA does not have a procedure in place to get or accept wheelchairs but that would be a great service. Since then, the Lord has placed a burden on my heart to start a service like that in the Northern Colorado area. I talked to a few friends about this, and we are now exploring the idea further. The plan would be to accept wheelchair donations, fix or refurbish them, then give to a veteran in need. There would be a lot involved in this and we do not even know the questions to ask. We will be meeting with the local VFW and VA rep sometime soon to discuss this. Please pray for this endeavor.

We are still averaging 5 people in personal attendance each week, but we now have some others who are joining in on zoom with us.
