Report for March 2024

March was one of the busier, but also more productive months that we have experienced. There was so much work done on the building. In fact, we are about 95% done with the projects that needed to be done. The only project that we are still waiting on is the carpet in one of our large classrooms. We have ordered the carpet and it should be here soon.

This month we were blessed with three men from Bay Lake MBC of Groveland, FL being with us to replace our two broken furnaces. They were a true blessing to the physical work, but also of fellowship.

On March 23rd, we had our first community day for our new neighbors. Our people canvassed our neighborhood and invited people to come to out to meet us and let us meet them. The day of the event was cold and windy, but we were still blessed with about 50 people that came by to say hello. Our new neighbors seem to be excited that the building is back open.

Join us for our **Building Dedication**. It will be Friday, April 26th at 6pm. Come and see what the Lord has done. Please let us know if you or your church plans to attend so that we will have enough food available.

Our Needs - Our biggest need is more building fund support. Almost all of the funds, that we were blessed with, have been spent on the necessary repairs to the building. At this point, we are receiving, on a regular basis, about \$800 per month that is designated building fund. Our monthly payment and insurance are \$2000 per month. In August, that will increase to \$3000 per month. Please consider a one time offering or monthly support to this need.

A few smaller needs - We need a baptistry. The cost would be around \$2000 to get one installed. We could also use some legos. Our police officers that are playing ball on Monday and Thursday nights are bringing some children with them. We have offered to start providing some lessons and games for those children. A few hundred dollars of legos would help us to be able to minister to these children that are already coming to our building.

We are so thankful for all of those that gave to our chair fund. We were blessed to be able to raise money to purchase 50 chairs. We now have seating for 70 people.
