

"YOU'VE NEVER BEEN SO LOVED"

Church

May was another amazing month where we saw God's work in action. At first, we didn't have big plans because we were so busy in March and April. But we made sure to take care of important tasks and look after our community. We took the first Sunday of the month, which is also our family Sundays, to have teacher appreciation. We have 8 teachers that work hard cultivating an atmosphere of learning for all ages of our church. So we spent time thanking them for their hard work and dedication. Then of course Mother's Day. What May would be complete with giving praise to God for our Mom's. We have several young families so taking the time to recognize them and the older moms that teach the younger moms to me is important and also paramount to our church's stability. Also with May being the End of the School year, it is graduation time. We had 3 seniors graduating, so we had a special time of prayer for them following our morning service and lunch to celebrate them in their accomplishments. And living in a military city, it's difficult not to show respect for Memorial Day. Our congregation is 90% military. Everyone of our soldiers has friends and people that they served with that gave it all for the freedoms we have in this great country. So giving them an opportunity to Honor the Lord and honor the fallen on Memorial Day is needed in our Congregation.

THE JONESES

With Jenna being a teacher, Emmitt in School and May being the end of the year it definitely puts some hustle in the bustle. Emmitt had his end of the year school program, and absolutely stole the show. He also had end of the year awards and was top of his kindergarten class and nominated for the Terrific Kid of the Year. We are thankful for his love of learning and the heart that he has to tell people about Jesus. Jenna has to be at the school until the 2nd week of June, but with the end of the year testing and getting her room dismantled for the summer, there is much work that needed to be accomplished that kept her at work well past the getting out of school time. Emmitt's birthday is June 1st and we have big plans to take him to explore some museums that he has been dying to go to. And Mike Jones is doing Good, Excited for the Summer with Camps the National meeting and seeing Family. I am looking forward to seeing those I haven't seen in a year or longer.
