Busy month of May

The month of May has been very busy. The first of the month we held our first teen girl's Bible study. There were five in attendance with at least three more who wanted to make it but could not because they were either out of town or in summer weight/conditioning training for volleyball, basketball, or softball. We have decided next month to do a "Breakfast and the Bible" early one morning before workouts begin.

Toward the end of the month, we had graduation and several parties we were invited to. We also flew to CA to attend my son Dalton's graduation from Fullerton College. We loaded him up and he has moved back to Colorado, at least for a couple of weeks. Please pray for him and his next decision on where to continue his college and football career. He has offers from all over the country.

His girlfriend came back with us and stayed for 12 days. During that time, I was able to have great conversations with her concerning her future, her, and Dalton's future but most importantly her relationship with Jesus. While living there, they attended a strong independent Baptist church close to Dalton in Fullerton. She lives in Laguna Hills, which is 45 minutes (without traffic) for her. I asked her if she would commit to continuing going to church and she told me it would be hard to go that far, and she would feel weird without Dalton there. I am currently exploring churches near to her but in the meantime, she has committed to joining us by zoom on Sundays. She even said her mom and dad would like to listen in.

I received a call from a good friend of mine in Texas who is having a tough time in his marriage. He said he and his wife have both agreed they need Christian counseling, and I am the only one they both felt comfortable with. We are currently meeting by zoom every Friday morning.

Please continue to pray for guidance for our family and all the opportunities God has placed in our lives. Ideally, I would love for it to be people in my field of labor, but I have always been taught to work where God is working.
