## Missionary to Topeka, Kansas

### Report for May 2024

We have had an amazing month. During the month of May, we were blessed with 20 first time visitors, an increase in our average attendance, one salvation, 2 additions by letter, and the beginning of a new ministry that is really taking off.

Yes, you read all that correctly. This month we really did see 20 first time visitors. Each Sunday, it seems that the Lord is sending someone else our way. Some of the visitors were family members from out of town, and some from the previous church that occupied the building. The rest were all people that we have been working on. We even had one family visit with us, and then the next week, they brought another family with them.

The one salvation was a young mother that stopped to let us wash her car. We got to talking and she realized that she needed Jesus as her savior. She lives in the neighborhood. Pray for her that she would begin coming to church soon.

This month, we were finally able to start our Lego activities with the children of the Police Officers. Every Monday, we have several Police officers in our building playing basketball. Some of the them have been bringing their children with them. This month, we started ministering to those children with Legos. Now, they are bringing more friends. We are already at the point that we need more legos. We could use about \$100 worth of legos to help meet this need.

**Our Needs** - Our two biggest needs remain the same. We could use more building fund support. One time or monthly offerings are all appreciated. We are very thankful for what we receive, but we could really use more.

Also, we could use help for Matthew and Rebecca for their housing needs. Any help toward their \$1000 rent would be greatly appreciated.
