

"YOU'VE NEVER BEEN SO LOVED"

June has been an eventful month for our Work in Fayetteville, NC. Despite the challenges brought by the summer travel season, we have seen remarkable moments of spiritual growth and community engagement. Our church has experienced varying attendance, reflective of the transient nature of the summer months.

****Sunday Worship:****

We celebrated a high attendance of 43 on one of our Sunday services. This was a testament to our congregation's commitment and the outreach efforts we have been consistently implementing. With 3 new families visiting through the Month. Our midweek Bible studies have also been well-attended, considering summer travel, We have just ended our 74 week study of a series entitled "66 hours thru the Bible" where we studied a book a week for over a year.

The advent of summer has brought about a noticeable dip in our regular attendance numbers. Many families and individuals are traveling, which has resulted in fluctuating participation. This trend was anticipated, and we are continuously encouraging our members to stay connected through digital means and prayer support while they are away.

1. **Fathers Day:**

We had a great number of men bring their families to service for our special Fathers Day service, along with members that brought their friends. We believe that a strong Godly Father in the home is the foundation to a strong Christian household.

2. **National Meeting: Springfield:**

We were able to attend our National meeting in Springfield Illinois this year, and was able to see a lot of you all. We had the privilege to bring along for the first time a couple of our church that has been members for almost seven years. Even though they have been apart of the ABA their entire adult life, this was the first Association Meeting they have ever attended. They were encouraged by all the work that goes into keeping our association of churches strong and doctrinally sound.

3. **Spiritual Growth:**

Testimonies shared during our services have highlighted significant spiritual breakthroughs among our congregation. These personal stories have been a source of encouragement and have reinforced the importance of our communal worship and study sessions.

June has been a month of highs and lows, reflective of the dynamic nature of summer in a church community. While attendance has been impacted by travel, the spiritual vitality and commitment of our congregation remain strong. We are confident that the seeds planted during this season will bear fruit in the months to come.
