Missionary to Topeka, Kansas

Report for June 2024

June is always an extremely busy month for me. This year was no different. Two of the weeks are basically spent on the road.

One week we were in Clovis, NM leading out in IMPACT25. During this week, we had 210 participants from all over the country join us. We saw 9 people accept Jesus as their Savior. It was an amazing week.

The second week, we were in Springfield, IL for the ABA National meeting. It was a blessing to be able to brag about the Lord and all the things that He is doing here in Topeka. It was a real encouragement to be around other pastors.

During all of this, we did not miss a Sunday here in Topeka. During June, we were blessed with 8 first time visitors. In fact, since we dedicated our building in April, we have seen 28 first time visitors in total. We also saw 5 visitors that are still attending with us. One of those is a lady from Great Britain that has become a faithful attender since her first visit.

In June, we continued all of our community involvement, much of that through chaplaincy. I was blessed to be able to go to a PACE center, through this effort, and pray with the staff. In that 2 hours that I was there, I prayed with close to 50 different people. People were standing in line and waiting to be prayed for. I will be going once a month to this PACE center.

Our Biggest Need is more building fund support. We need to pay for this building. One time or monthly offerings are all appreciated. We need help with this.

If you would like me to come and share about our needs and work, I have dates that I will be on the road to do just that. August, September and November are open. This is a tough balance of ministry and fund raising, but I do have some availability.
