Report for July 2024

The Blessings. What a wonderful month. During July, the Lord has blessed us with 11 first time guests, and increased our average attendance to 28. The greatest blessing was the salvation of one. This lady had been attending for a few months and wanted to talk about joining. During our discussion, she realized that she was never saved. She accepted Christ and will be coming for baptism soon. Not only did we have those blessings, but I have two more that are also seeking baptism. We are blessed with guests that are bringing guests.

This month, we also started a 30 for 30 prayer campaign. My people are doing wonderful with this challenge. We have dedicated 30 days of prayer for 30 people in a worship service. Prayers are done on the property. At least one person signs up to come and pray on the property for the Lord to increase our harvest. We have not broke 30 yet, but as you read above, the Lord is giving us a harvest.

This month, we were blessed with wonderful VBS offerings. We are so thankful for the churches that decided to help us in our efforts here. These one time offerings are such a huge blessing to us.

The Burdens. With all the blessings, these seem minor. However they are burdens that we could use help and prayer with. This month, we saw in a couple of days an usual amount of rain. This rain showed us that we have several leaks in one of our flat roofs. We do not know a cost yet, but it looks as if that roof system will need to be replaced. We are waiting till fall to explore the damage more.

Another major need that we have, is the need for more building fund support. Whether it is a one time offering or monthly support, we are still falling short of our need. Our offerings for the work are increasing, but that is still not enough. We are prayerfully asking churches to partner with us with designated "building fund" support. Please prayerful consider our ministry. If you would like me to come and share about our work, please let me know.

I will be traveling south for September 29th and currently have the morning available.
