Church Planters in
Mead
Colorado

As I have stated in my last few newsletters, the taylor's have given us the option to hold our services in the building they rent. So far, they have put in offers on at least four different buildings where everything looked good up until the last minute then things fell through. Please pray for them and their ministry in looking for a place to rent and for our ministry. It seems frustrating BUT we all know that GOD is preparing the perfect place that will fit the needs of both of both of our ministries to better further the gospel here in the Longmont, Mead area. There is a new building we will be looking at this coming week that is actually halfway in between both of us. Our prayer is that we can secure a place before or around the first of November so that we can utilize the building for the holiday season and hold special outreach and community events as well as holiday parties. Our plan remains to start meeting one Sunday a month in the new building to start and build from there.

We have had new people join us via zoom the last three weeks in a row! My obvious choice would be in person but I will work with what God is giving. My niece from Louisiana, a good friend from Texas, and a teammate of my son/s have all joined for services.

Please continue to pray for one of the young men in the church, Zalix. He came to services for the first time in over two months last week. At the end of Bible study, he made a public apology for the life he has been living and asked for forgiveness and prayers. We GLADLY accepted his apology and welcomed him with nothing but love and open arms. It is so encouraging to see the Holy Spirit at work within HIS children and to see the power of conviction that leads to a life of reconciliation. Please continue to pray for Zalix. He has a lot of life challenges, but he is learning to overcome them through the power of the Holy spirit and the help, prayers and support system he has here through his local church.
