Report for October 2024

We need help! We greatly appreciate all the help that we have received and are currently receiving. However, we need more to just meet our monthly needs. We are currently using borrowed funds from the ABA Credit Union to pay our building note. If we do not receive help, we only have a few more months of funds remaining. We are confident that the Lord will meet this need, but we ask you to join us in prayer. We owe \$500,000 on the building. We also owe the ABA Credit Union \$50,000. Please join us in prayer for this.

Our people are doing well. Our attendance in the past 6 months has basically doubled and our offerings have gone up as well. They are still young in Christ, but progressing well. This past month our averages for both Sunday AM and PM services were 25. Our mid-week attendance is growing every week. We are currently averaging 21 adults and 4 children in Mid-week.

This month, we had one lady come to join the work by baptism. We will be baptizing her in November. This will make the third baptism and third salvation since we have been in the building. We still have 7 adults that are attending on regular basis that have not made a decision yet. I keep hearing from them that they feel at home with us. Join us in prayer for these individuals also.

We closed out the month of October with a huge outreach effort. We had 37 workers from our ministry and 350 people come through. Every month, we do at least one outreach as a ministry. This is where we as church do outreach as a group. Our people have done well to get on board with this effort. The Lord continues to bless our effort. It may not always come directly from an outreach, but He is always faithful to send visitors our way.

If you or your church would like more information, I am available to come and present our needs and ministry. Wednesday nights or revival type services are more convenient for me, but whatever your church needs, I am available.
