Everett Ledbetter

Missionary to Topeka, Kansas

Report for November 2024

A busy but blessed month. This month, I was able to briefly attend the Arkansas and Texas state meetings. I was also blessed with being able to share our ministry with Geneva MBC of Dequeen, AR. It was a a real blessing to be able to be at all of these.

This month, we were blessed with a high attendance of 37 for our Thanksgiving services. Our average attendance has held steady in the high 20's for all of our services. This month we also had a wedding between two of our members in our building. At the wedding, there were 100 people in our building. This gave us a good idea of our seating capacity. We could easily have a capacity of 200 in our sanctuary.

Our efforts with our first responders is still going well. Each week, we are having several in our building for basketball. Pray for me as I continue to build relationships with these men and women. Ministering to this group is different than ministering to other groups.

.....

Last month we put out a call for help. Our Building Fund Support was running very low. Praise the Lord that our churches have responded. We received some one time offerings and some increased building fund support. Thank you to the churches that sent one time offerings to help with the immediate needs, and thank you to the churches that have voted to add us to their monthly Building Fund Support.

I am also thankful for the Christmas offerings that were sent to my wife and my son's wife. Often, the missionary receives offerings around Christmas, but rarely doing the wives. Thank you for this. What a blessing to see our wives blessed in this way.
