## New Beginnings

We are excited to announce a list of new beginnings for Pathway Baptist Church!

First of all, we have a new place to worship outside of our house. Pastor James Taylor and Front Range missions have agreed to share their facility with Pathway Baptist. The facility is in downtown Longmont which is only 18 minutes from our house and everyone from the town of Mead must go to Longmont for food, gas, groceries, shopping, etc.

They currently meet on Sunday mornings at 10:30 AM, so we will either meet at 8:00 AM Sunday morning or 6:00 PM Sunday night. This will give us a much-needed presence in the community!

We decided to hold a special joint Easter service/ Fellowship to get things started and sent invitations to everyone we have come in contact and ministered to since we began. We had five families show up. Three we knew were coming and two we had no idea about! These were families who's sons and my son played football in middle school together. They are now juniors in college. They all said that now that we have a place to meet, they would likely be back.

After much prayer, my sending church (Eastside Missionary Baptist) and I have decided that I will not be seeking full time salary from the ABA this coming year. We feel it is best in the current situation and in the circumstances here for me to seek employment in the community in order to foster more relationships for the cause of Christ and it will be more beneficial for Pathway Baptist Church.

With that news, as most of you know, Colorado is a VERY expensive place to live. Every day, more and more California laws are put into place here making it more and more expensive. I will be trying to find the happy medium between finding a job that can provide the funds we need without working so many hours I neglect the ministry of the church.

I have applied for a "Clinical Pastoral Educational Program" at the UC Health Hospital here in Longmont. This will allow me to become a licensed, accredited, board certified chaplain and open many doors to employment within hospitals, nursing homes, prisons etc.

The cost for the program is roughly \$2000. I will need to complete 400 hours of class time and 300 hours of clinical OJT. After completion of the first unit, most places will start paying a monthly stipend. Please pray God will open doors and continue to bless here. I know it has been a long journey and it seems like slow progress if any, but it is all in God's timing and I have prayed mightily and have the utmost confidence God is not done with the work here and My family and I are EXACTLY where we are supposed to be. If you would like to help keep us on the field, please feel free to reach out to me or Eastside Baptist with any questions or concerns.
