Report for February 2025

February was another cold and snowy month. This winter has been hard for us. The cold caused our heating bills to be higher than normal and the snow increased our expenses by having our parking lot plowed. Both of these have placed a strain on our general fund. For January and February, we had \$3300 of heating and plowing expenses that we could not afford. The one blessing during this weather this month is that we only missed one midweek service due to the weather. Praise the Lord for that.

This month did bring an exciting spiritual blessing. We had a young lady come to join the church by baptism. This lady accepted the Lord back in December and has slowly been responding to the teaching. We will be baptizing her in March.

This month, we also saw two first time visitors. It seems that this family may be sticking around. We see several come through and despite our best efforts, they don't always stick around, but this family seems to be finding a home.

Our attendance is holding steady through the winter, our spirit is very sweet right now, and the Lord continues to meet our needs in unique ways. We are excited about what the Lord is preparing for us here in Kansas.

.....

We are excited about our Summer plans that are shaping up. Bethany BC of White Hall, AR will be helping us the week of July 7-11 to reach our city. Right now, we are planning a VBS during the day, other outreach during the day, and worship services at night. If other churches would like to join in the effort, please reach out to me. We would love to put out a large effort during this week.
