I feel like I can finally breath. June and July were so busy. It was one event to the next. I am so thankful to be able to settle back in to some normality.

July was a blessing with several activities. We were blessed with two churches coming to help us love our community in two different weeks. Bethany BC of White Hall, AR came July 7-11. During their visit, they helped us to have our first VBS and do several outreaches during that week. We saw a high of 16 kids at our VBS. We also saw 2 people accept Jesus as their Savior during the week. Then, New Home BC of Pine Bluff, AR visited with us from July 24-27. During their visit, we loved and prayer with a large amount of people and saw two people accept Jesus as their savior. We are so thankful for both of these churches coming to help us. The amount of work that we accomplished would have taken months to do.

Statistics - Average AM - 35, Average PM - 20, First time visitors - 3, Salvations - 5

Needs - I am thankful for our sending church helping to get my truck fixed. The rear-end needed to be replaced and Eastside was able to help with a large portion of the expense. We still had to pay \$1300, but not as bad as it could have been.

We are blessed with about \$2000 per month in building fund support, however our note each month is \$5000. We still have a great need to pay off this building. Any help is greatly appreciated. I would be glad to send a video or come and speak about our work. Midweek or revival services would be easier for my schedule.

We need more monthly building fund supporters. The Lord is meeting our current needs through one time offerings, but we would love to see churches partner with us on a monthly basis.
