It is hard to believe that September is already gone. This past month was a good month. There are several things that are happening that are a result of the Lord's hand in it. This month, we saw the Lord working in one of our families. This family began to see their grown children begin to come to services. They have continued coming and are asking questions about salvation. This has been a real blessing.

This month we had two drive up prayer events, which were well received again. Then we followed those up with a special night of prayer. In this prayer night, we prayed for our Country, our City, our Community, our Church, and our Core group. This was a very special night.

This month we also had Baptism Celebration. We baptized five!! For this service, we had an attendance of 50. Several of those were relatives coming to support the person getting baptized.

Statistics - Average AM - 32,
Average PM - 28, First time visitors - 10,
High Attendance - 50

Needs - (join us in prayer for the following needs)

1. We are always in the need of more building fund support. We are earnestly seeking churches to partner with us. Our monthly support continues to be lower than our monthly loan payments
2. A four wheel drive truck or tractor for snow removal. This is something very low cost or donated that will simply be used to plow our parking lot with.
3. We are getting close to needing more worship chairs. We currently have 70 chairs set up for worship and our attendance is about half of that. We could use about 14 more chairs within the coming months.
4. A camera for recording and streaming our services. We currently use a phone, but would like to properly upgrade our system with the right equipment.
