Report for October 2025

October was just simply a good month. The Lord continues to bless us. Probably the biggest thing that has happened in October is the expansion of our children's Sunday School classes. We went from having one class for all ages to having two classes. This may not seem like much to most churches, but for us it is huge. Not only have we had enough children to see this change, we had to get the workers to facilitate it and train them for this.

Also, we saw our Sunday evening attendance really pick up. We went from averaging 25 on Sunday night to averaging over 30.

Statistics - Average AM - 32, Average PM 32 - First time visitors - 6

This month, I was also blessed to attend the Oklahoma State meeting and share our ministry with Concord MBC of Norman, OK. For November, I will be attending the Arkansas, Louisiana, and Texas Meetings

Needs - (join us in prayer for the following needs)

- 1. We had a furnace go out on us.** This furnace supplies heat to our kitchen and bathrooms (so all of our plumbing). The cost to replace this 5 ton unit is \$5800. Please consider helping with this as soon as possible.
2. We are always in the need of more building fund support. We are earnestly seeking churches to partner with us. Our monthly support continues to be lower than our monthly loan payments. Please designate "building fund"
3. A four wheel drive truck or tractor for snow removal. This is something very low cost or donated that will simply be used to plow our parking lot with.
4. We are getting close to needing more worship chairs. We currently have 70 chairs set up for worship and our attendance is about half of that. We could use about 14 more chairs within the coming months.

As always, thank you to each church and individual that continues to support us with offerings and prayers. We could not be doing this without you.
