Report for December 2025

I imagine our December was similar to many other churches. We were very busy trying to minister to our people and take advantage of the season. However, the excuses were abundant. Our attendance took a hit this month due to people traveling, sick, or just too busy, whatever that means.

Even though, we took a little hit, we are still very encouraged. We still had a high attendance of 45 for our Special Night of Christmas. We still saw all of our people attend a service, just not the same one at that same time. Also, I had several really good conversations in the community that I am excited to follow up with.

Statistics - Average AM - 30
Average PM - 30, First time visitors - 1

Come and see. The best way to see all that the Lord is doing here is to come and see it. We would love to have any churches, mission committees, or pastors come and see what the Lord is doing. Come for a Sunday, a weekend, or a week. It would be a real encouragement to us.

We are so thankful for all the continued support that we receive. This month, we were blessed with two one time offerings to help meet some needs. Centerview in Malvern, AR sent an offering to take care of our furnace replacement and Bethany in White Hall sent an offering to meet half of the need for our additional worship chairs. We are so thankful for that.

As to the chairs, we would still love to raise \$1900 to be able to purchase enough chairs to completely fill our sanctuary. That would increase our seating ability from 70 to 120.

We are thankful for all support and prayers that we receive. If you would like to help with the Building please designate it "building fund." Thank you again for all of your prayers as we start another year.

We need more monthly building fund supporters. The Lord is meeting our current needs through one time offerings, but we would love to see churches partner with us on a monthly basis.
