

"YOU'VE NEVER BEEN SO LOVED"

Church

We had significant plans for a Vision Casting Night where I would share the direction and goals for reaching our city in the coming year, followed by a leadership planning dinner. Unfortunately, due to unexpected winter weather with over six inches of snow and ice two weeks in a row, we were forced to cancel services during that time. While disappointing, we trust the Lord's timing and are planning to reschedule and have more time to bathe the our ideas in Prayer.

Despite the weather setbacks, Wednesday night services have been very encouraging. We have seen an influx in attendance, and I recently began a Family-focused teaching series designed to strengthen homes and encourage biblical discipleship across generations. Attendance has remained steady in the 30s. I have had several meaningful conversations with individuals about baptism and joining the church. We are thankful to see God working in hearts and drawing people toward commitment.

THE JONESES

Jenna and I were thankful to celebrate our 17th wedding anniversary on the 3rd. God has been very gracious to us through many seasons, and we are grateful for the time He allowed us to spend together reflecting on His faithfulness.

On a personal note, many are aware that I have undergone several neck and back surgeries over the years and continue to deal with chronic pain—my body has clearly seen better days. This past November, doctors discovered a foramen magnum meningioma, a tumor located at the base of my skull. I have been on medication in hopes that it will shrink or resolve, and I am awaiting a follow-up appointment in February.

We would greatly appreciate continued prayer—for healing, for the effectiveness of the medication, and for wisdom for the doctors involved. We remain confident in the Lord's care and grateful for His sustaining grace as we continue serving Him at First Heritage.
