## Missionary to Topeka, Kansas

### Report for January 2026

This month was challenging and rewarding. We saw the Lord continue to bless us in many ways, but we also had challenges this month. This month we had one winter storm, one grandbaby born, and one wedding in the church, almost at the same time.

We were blessed to be able to be in Louisiana for the birth of our third grandbaby, which was our daughter's first. The baby was born on Thursday the 22nd and I raced back to Kansas on the 23rd to beat the winter storm. The storm did hinder one Sunday of worship, but other than that it did not really affect us much.

This month I made some significant steps with our first responders. Pray for these continued increase of interests.

Come and see. The best way to see all that the Lord is doing here is to come and see it. We would love to have any churches, mission committees, or pastors come and see what the Lord is doing. Come for a Sunday, a weekend, or a week. It would be a real encouragement to us.

We are so grateful for all the support of the churches. We have raised enough money to purchase all the chairs that we will need. That order will be placed soon. Pray that the Lord would fill those chairs.

As to our Building Payments, by the end of this year we will either need to refinance or payoff the loan. We need about \$400,000 to be able to pay it off. If there is a church that would be able to provide financing, we would gladly prefer to pay that church interest rather than a bank.

We are thankful for all support and prayers that we receive. If you would like to help with the Building please designate it "building fund." Thank you again for all of your prayers as we start another year.
