

"YOU'VE NEVER BEEN SO LOVED"

Church

February was a big month for us in terms of direction. We took some time during our Vision Casting Night to really lay out where we believe the Lord is leading our church. It wasn't just about plans—it was about calling our people to step in, not just sit in. We're trying to help them see that church isn't just something you attend... it's something you're a part of.

Looking ahead, there's a lot we're praying over and preparing for. We've got our Marriage Enrichment Weekend coming up "Better Together" with Terry Romine and we're asking the Lord to use it to strengthen marriages in a real, practical way. Strong homes make a strong church, and we want to invest in that.

We're also gearing up for a "GO Service" on March 29. Instead of just meeting like normal, we're going to send our people out into the community to knock on doors, invite folks to church, and share the Gospel. We've said it a lot lately: we don't want to just be a church that gathers we want to be a church that goes.

That leads right into Easter, and we're praying the Lord uses that day in a big way. Our heart is to see people saved and lives changed not just a full room, but a real harvest.

We're also getting ready for the Dogwood Festival, which is a huge opportunity for us to connect with people in our area. We're putting thought into how to make the most of it not just handing out information, but actually having meaningful conversations and pointing people to Christ. In the middle of all of this, the Lord has been steady and good to us. Our attendance has been consistent right around 37 on Sundays and we're seeing people grow, get involved, and take steps forward in their faith. That's been encouraging.

We're thankful for you. Truly. Your prayers, your support it matters more than you know. We couldn't do this without you.

Serving Him together,
Mike & Jenna Jones
