## Missionary to Topeka, Kansas

### Report for February 2026

Wow, I can't believe February is already come and gone. There are several things that we were able to do during this month.

Winter is always hard on ministry. Even though winter has been more mild here this year, it is still hard to plan around and motivate people to do much at all. We have been hit pretty hard with sickness of one form or another. It seemed that every week the flu or covid or a stomach issue was floating around and hindering our people. Even with all of that our attendance held sort of okay.

We were blessed with 2 first time visitors and one addition by baptism.

Statistics - Average AM - 28  
Average PM -31 First time visitors - 2

.....  
This month, we also started our first small groups. During the week, we have four small groups which are being led by our people. Our goal is to equip our people for the ministry. This is a huge step in leader development. We are also hoping that our groups will reach out to their friends and family for growth.

.....  
We cannot say "Thank You" enough to truly express our gratitude for each church that is partnering with us. We could not be doing this ministry without your support. The Lord is blessing us through your generosity.

Our main need continues to be building fund support to pay off this building note. If you would like me to come on a Wednesday night and share about our ministry, I would be happy to do that.

We are thankful for all support and prayers that we receive. If you would like to help with the Building please designate it "building fund." Thank you again for all of your prayers as we start another year.
