Report for March 2026

This month seemed a little shorter than normal, primarily due to taking a vacation during this month. That may not seem like much, but it was actually a huge blessing. Not only did we get a little time away from the field to refresh and refocus, we also got to see how well the work functioned on their own. The one Sunday that we were away, all of our people continued to attend the services. They were all fulfilling their roles and their ministries. This was a real encouragement.

Statistics - Average AM - 28
Average PM -28 First time visitors – 8

Our midweek small groups are doing very well. We currently have 4 small groups meeting during the midweek. That is four different leaders leading those groups. We are see greater attendance and more discussion through the small groups. We are also seeing increased leader development by them teaching and not just attending.

.....

This month, I was also contacted by the Sheriff’s Department about stepping into their chaplain role. They have one chaplain and he is nearing retirement. Because of my involvement already with the police, the Sheriff sought me out. This would expand my role throughout the entire county. Be in prayer for this.

.....

#Tell Topeka We would love to have church groups come and help us sometime this Summer. Join us for a weekend or a week and help us Tell Topeka all about our Savior. We can tailor the week to fit your group. We can use help with almost any type of ministry that your group is suited for. Please contact me for more information and scheduling your group.

.....

Refinancing our Building – We are still pursuing different banks to refinance our building. We need to get this done before the end of the year. Be in prayer that the Lord would lead us to the right solution. Any offering to help reduce our building indebtedness is greatly appreciated. Please designate the offering “Building Fund.”
