Report for April 2026

We have been blessed with a very good April and definitely a month of encouragement. This past month, we had a high attendance of 52 for our Easter service. Yes, it was for Easter and that is not the normal, but I think it gave a validation to our public ministry in Topeka. Out of that 52, ten were first time visitors. Our average came back down after Easter, but that was a huge blessing to us.

One of the visitors was a single mom with her two kids. She was a Mormon, but on Monday that all changed. She wanted to meet with us after our easter services. We sat and ministered to her for three hours. She knew something was wrong with the Mormons. She knew that she was missing something. That day she accepted Christ, and she has been faithful all month!

Statistics - Average AM – 30	Average PM -30
High Attendance 52	First time visitors – 13

This month has been amazing spiritually, but financially it has been a struggle for Matthew and for us. Matthew Ledbetter has had \$1500 of car repairs, and we have some car issues also, but God is taking care of us. Matthew could use some help, if anyone is interested.

.....

#Tell Topeka We would love to have church groups come and help us sometime this Summer. Join us for a weekend or a week and help us Tell Topeka all about our Savior. We can tailor the week to fit your group. We can use help with almost any type of ministry that your group is suited for. Please contact me for more information and scheduling your group.

.....

Our Biggest Financial Prayer Need – We are still pursuing different banks to refinance our building. We need to get this done before the end of the year. Be in prayer that the Lord would lead us to the right solution. Any offering to help reduce our building indebtedness is greatly appreciated. Please designate the offering “Building Fund.”

If there is a church or churches, that would be able to loan us the money, we would love to hear from you. We have on hand about ¼ of what we need. The balloon payment is \$450,000. We would much rather borrow from a church or churches rather than the bank.
