Report for May 2026

After the amazing month of April, May was a bit of a let down. We saw record attendance in April and much lower numbers in May. We did not lose people, but they did miss a good bit with other things. There was a big graduation that took half of our people and even I was out of town one Sunday for the pre-association meeting.

Even in all of this, we still were blessed with 6 first time visitors.

Statistics - Average AM – 25
First time visitors – 6

Matthew Ledbetter financial needs – Matthew could still use some one time offerings help. Any help would be greatly appreciated. He had to spend over \$1500 to get his car back up and running in order to go to work. He is worthy and appreciative of any support sent his way. Offerings can be mailed to us, given online or through venmo.

.....
#Tell Topeka We are planning a big effort in July and any help would be welcome and appreciated. We are planning to canvas and promote a Block Party early in the month. More Outreach and promotion in the middle of the month and a VBS the last week of the month. If any churches would like to help or support our efforts, we would love to hear from you.

.....
Our Biggest Financial Prayer Need – We are still pursuing different banks to refinance our building. This is proving to be very difficult . We need to get this done before the end of the year. Be in prayer that the Lord would lead us to the right solution. Any offering to help reduce our building indebtedness is greatly appreciated. Please designate the offering “Building Fund.”

If there is a church or churches, that would be able to loan us the money, we would love to hear from you. We have on hand about ¼ of what we need. The balloon payment is \$450,000. We would much rather borrow from a church or churches rather than the bank. I would be thrilled to share our need with any church.

I will also be attending the National meeting in June. I will not have a booth this year, but I will be there and plan to share our needs at the missionary share time.
