Report for July 2026

What a tremendous month of July! There are so many blessings that happened this past month. The biggest take away from this past month is that our people did the work. I am so thankful when other churches or youth groups come and help us to reach our community, but this month was just us. We canvassed our neighborhoods, we had a block party for the neighborhood, we did a prayer outreach and we did a VBS during this month.

This group of young adults joined me to canvass our neighborhood. We passed out Block Party and VBS flyers. As a result, we had 60 come out for the block party and at least one family faithfully attend the VBS.

Our VBS was a huge success. Kim Ledbetter worked very hard to lead out in this effort. Our people decorated, worked, and cleaned up afterwards. We are thankful for the churches that donated material for us to use and offerings for the expenses. We saw a high attendance of 38 for the week of VBS

Statistics - Average AM – 28 Average PM -25
First Time Guests – 8 (including VBS)

Our Biggest Financial Prayer Need – We are down to our last local bank as a possibility to refinance our building. We have just 5 months left to get this worked out, but I am confident that the Lord is going to meet our needs. At this moment, we are waiting for this local bank to reach a final decision. They have told us that they are interested, but we have heard that before.

Any and all “Building Fund” money that we can raise between now and the refinance is at 0%. All help toward this would be greatly appreciated.

Personal Prayer Needs – We decided to replace the transmission in our second vehicle. Pray that we can rebound from this sooner rather than later.
